## EMPLOYMENT

Rapidly growing real estate acquisition and development company is looking for a professional and highly efficient Administrative Assistant to support the Marketing department.

Responsibilities include organizing & maintaining contracts, real estate leases and related documents; assisting with marketing proposals, mailings, and other marketing initiatives; scheduling appointments, travel and performing related administrative duties. Requires at least 3 + yrs. administrative/clerical experience; strong computer skills, excellent knowledge of Word, Excel and PowerPoint; excellent written communication skills and attention to detail; bilingual - English/Spanish highly preferred. Competitive salary and full benefits commensurate with experience.

Fax resume and letter of interest to Human Resources: (915) 990-2700

**You've honored your country – now let the country's most respected carrier honor you.**

J.B. Hunt Transport is showing our appreciation to America's veterans by waiving experience requirements and providing assistance with CDL training. Learn a lifelong skill and take advantage of an over-the-road job you'll love:

- Regular home-time, insuring that you get home to your family
- Steady pay with an average of over \$47K per year
- The unmatched stability & security of working for an industry leader
- A full benefits package, including: medical, dental, vision, basic life & 401K retirement, and more!

Local, regional & dedicated opportunities are also available. Military driving experience is a plus, but not required, to take advantage of this invitation. Fall classes are starting soon so call: 1-800-480-4028 today to learn more!

EOE – Subj. to d/s.

Electronic Technician

**LOCOMOTIVE ELECTRONIC TECHNICIAN (Diesel Electrician)**  
\$21.50/HOUR

The UNION PACIFIC RAILROAD, a multi-billion dollar industry leader, has immediate openings for Locomotive Electronic Technicians in West Colton, CA, Roseville, CA and North Platte, NE as well as many other locations across the US.

Locomotive Electronic Technicians are responsible for the troubleshooting, repair, inspection and maintenance of the electrical systems on diesel electric locomotives.

Candidates must have demonstrated work experience and/or education in the troubleshooting of electronic control systems. Applicants must be able to read electrical schematics and prints. Experience with large motor generators and high voltage circuitry is a plus.

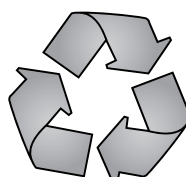

We offer superior medical, dental and vision benefits with a great working environment.

For consideration, visit our web site at WWW.UP.COM. When applying, click on "Jobs at UP", then click "View Positions", and select Diesel Electrician location in which you are most interested. For assistance with the application process, call 1-800-877-5634.
