Ponder This ...

- I used to eat a lot of natural foods until I learned that most people die of natural causes.
- Gardening Rule: When weeding, the best way to make sure you are removing a weed and not a valuable plant is to pull on it. If it comes out of the ground easily, it is a valuable plant.
- The easiest way to find something lost around the house is to buy a replacement.
- Never take life seriously. Nobody gets out alive anyway.
- Health is merely the slowest possible rate at which one can die.
- The only difference between a rut and a grave is the depth.
- Whenever I feel blue, I start breathing again.
- If Jimmy cracks corn and no one cares, why is there a song about him?
- Why does Goofy stand erect while Pluto remains on all fours? They're both dogs!
- If Wile E. Coyote had enough money to buy all that Acme stuff, why didn't he just buy dinner?
- If corn oil is made from corn, and vegetable oil is made from vegetables, then what is baby oil made from?
- Do illiterate people get the full effect of Alphabet Soup?
- Did you ever notice that when you blow in a dog's face, he gets mad at you, but when you take him on a car ride, he sticks his head out the window?
- Why doesn't glue stick to the inside of the bottle?
